To: Division Managers with Hess Oil

Re: **Hess Oil - (CID #0353-01-00, 0353-02-00, 0353-03-00)**
Participation in Partners Retail Program

Dear Managers:

Hess Oil will participate in our various Partners Retail Contractual Pack Program(s). Due to the number of stations involved and Hess Corporate follow-up with their regions and divisions to qualify locations, implementation of the program has been delayed. **All participating stations have been contacted by Hess Corporate.** Several station managers at participating locations have requested our S/R's place these displays. Displays can be placed, however, the specific plans cannot be entered into S.I.S. until the specific plan designations have been determined. The tentative date for the rollout on placing our contract displays in Hess stations is June 5th.

Sincerely,

Jim
